

MICHAEL DIVIRGILIO

HERMOSA BEACH ★ CITY COUNCIL

Dear Hermosa Beach resident,

As your City Councilman I will work to manage our city in a civil, courteous, and professional manner by leading with common sense. I will make it my priority to manage city business in a way that is respectful of residents.

Because I'm a problem solver who believes in an inclusive style of leadership I will solicit input from all parts of our community in making decisions. Consensus-building will be the hallmark of my public service to our City.

-- Michael

Issues

A Balanced Downtown Environment

- Fight to keep Hermosa Beach as the *seaside village* we know and love.
- Encourage the growth of vibrant, healthy and resident-friendly businesses.
- Return the focus of policy and programming decisions to be about making sure that Hermosa Beach remains a **family-friendly** residential community.

Increased Neighborhood Safety

- Increase Police activity throughout the city by reducing the current need for attention in our downtown area.
- Make our neighborhoods safer by strengthening Neighborhood Watch, which I am working on as a Block Captain.
- Work with other government agencies to improve our disaster preparedness.

Street and Sidewalk Improvements

- Insure that every street and sidewalk meets the same quality and safety standard.
- Accelerate our 5-year street repair timeline by looking for additional funding - an issue I've been working on as Chairman of the Public Works Commission.

About Michael

- Chairman – Hermosa Beach Public Works Commission
- Chairman – Centennial '100 Acts of Beautification' Committee
- Former South Bay Representative for U.S. Congresswoman Jane Harman
- Member: Hermosa Arts Foundation, Friends of the Parks, Heal the Bay
- Married to Danay DiVirgilio, owner of a local business named YogaBuddies
- B.S., Mechanical Engineering
